WINDFORCE Conference Sponsoring

Use the effectiveness of a company presentation

As a sponsor you have the opportunity to present your company or institute to an **international high-level audience**.

Use the sponsoring to expand your network on an international platform of leading companies operating in the offshore wind industry.

You can choose between **twenty-one different sponsoring packages** which are tailored to different needs. Thereby, through the diverse possibilities of presentation, you get some special focus on your company.

All sponsors will be presented additionally on **roll-ups, banners** and **charts** during the event, **within the program** and on the WAB homepage.

On the following slides you can see the specification of each package.
