WAB Newsletter 7 | 2017

Dear Sir or Madam,
Dear Reader,

today, you receive the new WAB Newsletter. It reports on the growth figures of the offshore wind energy for the first half of 2017, provides impressions of the visit of Cem Özdemir, top candidat of the party "Bündnis 90 / Die Grünen" in Bremerhaven and gives an overview of the most important WAB and industry events in the upcoming weeks and months. In four weeks, the german and international Wind Power Industry will meet at HUSUM Wind trade fair. Our members are heartly invited to use our common stand (2-E14) as a meeting point or for a discussion with business partners.

We wish you an enjoyable reading!

With kind regards,
your WAB Team

NEWS

Offshore Wind Energy in Germany: Growth Figures for the first Half of 2017 have been published

In the first half of 2017, 108 offshore wind turbines with a combined capacity of 626MW fed power into Germany's national grid for the first time. Therefore as of 30 June 2017 a total of 1,055 offshore wind turbines with a total capacity to 4,749MW are on the grid. The industry expects a total increase of approximately 900MW for 2017 as a whole. In the first half of 2017, offshore wind energy produced 8,480GWh of electricity, already roughly 70% of last year's total output.

Innovation Day – Cem Özdemir visits the WAB

Upon the invitation of the WAB, Cem Özdemir, the top candidat of the party "Bündnis 90 / Die Grünen", has visited the offshore wind industry in Bremerhaven. Under the slogan "Innovation Day", Özdemir received information about innovations and current developments in the offshore industry. The daytime program included the inspection of the converter platform for the offshore wind farm OWP Nordergründe and the visit of various test and research sites of the Fraunhofer IWES.

EVENTS

WAB-Event

WAB Entry Seminar

18th and 19th of October 2017

+++ Register now +++

The introductory seminar is compact, entertaining and packed with examples taken from everyday practice. Providing an overview of the most significant topics of wind energy, the seminar is an ideal introduction to the industry. It is particularly suited to new employees, suppliers and all those seeking to gain a comprehensive and holistic overview of wind energy, e.g. administration staff.

The WAB regular's table will be held on the evening of the 18th of October. All participants are invited to attend.

HUSUM Wind 2017

12th to 15th of September 2017 in Husum

WAB will sponsor a large joint stand (2-E14 in Hall 2) at the HUSUM Wind trade fair from 12th to 15th September. Co-exhibitors include the BIS – Bremerhavener Gesellschaft für Investitionsförderung und Stadtentwicklung, convent energy, Fassmer, GMA-Werkstoffprüfung, GÖRG Partnerschaft von Rechtsanwälten, Der Senator für Wirtschaft, Arbeit und Häfen, ForWind Zentrum für Windenergieforschung der Universitäten Oldenburg, Hannover und Bremen.

A special highlight at this year's fair will be WAB's patronage of the popular "Windkraft Zulieferer Forum" hosted by Plarad – Maschinenfabrik Wagner at wind energy trade fairs since 2012. The central idea of the forum is to bring suppliers and manufacturers in the wind industry together around one table. For the first time, the forum will focus solely on offshore wind. Andreas Wellbrock, WAB's managing director, is looking forward to welcoming visitors to the forum at 2.05 p.m. on 14th of September.

This year's Exhibitors at the Stand:

Travelling to HUSUM Wind with Sixt

Use our successful collaboration with Sixt: All WAB members get a 15 to 25 percent discount (depending on model) on the basis price of a rental car.
