WAB-Newsletter Special,

Dear Sir or Madam,
dear readers,

with regard to the current political developments, we produced a video for wind energy. With this video we would like to promote the achievements of the wind industry and to set an antipole against the targeted climate politics of the USA.

For receiving a far dissemination of the video we would be very pleased, if you could share our video on your channels and pages.

Thank you for your support!

With kind regards,
your WAB-Team
