WAB social get-together - the meeting place of the wind energy sector

The focal point of the last WAB social get-together, held on 29 March 2017, was a panel discussion on "Experience in the operation of offshore wind farms – opportunities for optimisation". Afterwards, speakers Matthias Brandt (Deutsche Windtechnik), Holger Grubel (ONP Management) and Carsten Ebert (Wölfel) led the dialogue between the panel and guests at the get-together; approximately 180 participants from the industry attended the event.

We would like to express our warm thanks to the evening's sponsors, convent energy Offshore GmbH and the Sika Deutschland Group.

The next social get-together will be on **Wednesday, 23 August 2017** in the ATLANTIC Hotel Universum in Bremen (registration deadline is 21 August 2017). We look forward to your joining us. If you are interested in attending or have any questions, please send WAB an email or call (info@wab.net, +49 471 39177 0).
