## WAB Newsletter 2 | 2018

Dear Sir or Madam,  
Dear Readers,

in less than six weeks, the WINDFORCE Conference will take place in its 14th year in Bremerhaven on the 15th and 16th of May 2018. If you still hesitate, we would like to invite you to take a look at our [freshly published program](#).

In addition, we would like to invite you to our next [Generals' Meeting](#) on 11th of April in Bremerhaven. We wish you an enjoyable reading experience with our second Newsletter.

Best Regards  
Your WAB Team

## WINDFORCE Conference 2018: New Program published | Registration for Excursion active

The 14th WINDFORCE Conference will offer not only international lectures but also exclusive networking and discussion opportunities with high-level speakers of the national and international offshore wind industry. You can discuss and learn about current issues like Integrated Energy, Power-Purchase-Agreements or Floating Foundations. This year's special highlight are excursions to Steelwind Nordenham and Siemens Gamesa in Cuxhaven. In addition, the EU Interreg project Inn2POWER and the Enterprise Europe Network Bremen (EEN) are offering a B2B matchmaking event. As of now, you can register for the excursions [here](#).

## WAB Regulars´ Table on the 11th of April 2018

The next WAB Regulars´ Table will take place on 11th of April in Bremerhaven. The trusted informal meeting place offers you the perfect possibility to meet existing and new contacts in a pleasant atmosphere. Jasper Winkes from Fistuca MV will give a lecture about "Driving down the costs of offshore foundations" (in English).

We would like to thank Wind Multiplikator for supporting our Regulars´ Table:

## Meet Andreas Wellbrock at a podium discussion

On 12th of April at 7 pm, the SPD Loxstedt invites interested people to participate in a panel discussion with the title "Wind power in crisis - a deep fall of a booming industry or a chance for new beginnings?" The guests include representatives from politics, business and trade unions from Lower Saxony and Bremen/Bremerhaven. In addition, WAB Managing Director Andreas Wellbrock, the Lower Saxony Minister of Environment Olaf Lies, the member of the Lower Saxony State Parliament Uwe Santjer, the member of the German Bundestag Uwe Schmidt and Gerrit Michaelis from SPD Loxstedt will discuss. The moderator is Oliver Lottke, whose constituency office organizes the event.

WAB members are invited to attend the event at the "Gaststätte Hohewurth (Hersemeier)". A pre-

registration is not necessary.

## SCIENCE meets BUSINESS "Wind Energy"

On Thursday, 19th of April, the University of Applied Sciences Bremerhaven invites the fifth time to the event SCIENCE meets BUSINESS (SmB). The core topic is "wind energy" of the Cluster Energy and Marine Technology. The event takes place at 6 pm at the University in house T (room T 0002 / EC). Prof. Dr. Eva Quante-Brandt, Senator for Science, Health and Consumer Protection, will welcome the participants. WAB Managing Director Andreas Wellbrock will moderate the evening's program. Registration is open until Friday, 13th of April via e-mail to: [event@schendel-design.de](mailto:event@schendel-design.de) with a short indication of (title), first name and last name, company/institution.
