

Tuesday 10th March

Cancellation | Inn2POWER Observer Event 18th and 19th March

Dear Inn2POWER Observer,

Presumably due to the COVID-19 outbreak and the risks coming with that, we have received very few registrations for our Inn2POWER Observer Event so far. Therefore we feel ourselves compelled to cancel the Observer Event as was planned next Thursday 19th March.

See the whole program below:

- VIP Diner – Wednesday 18th March - **cancelled**
- Observer Event - Thursday 19th March - **cancelled**
- Lunch - Thursday 19th March - **cancelled**
- Visit Blue Accelerator - Thursday 19th March - **cancelled**

Although this a regretful decision to be taken, we think that safety and clarity for you as participant is very important at this stage. Of course it is up to your own decision to visit the Belgian Offshore Days B2B Fair and Conference.

But because your opinion is still very important for our project we are now considering an alternative Observer Event which will most likely be an on-line version of the original Event.

You will be informed as soon as possible how and when this will take place.

Thank you for understanding.

Kind regards,
Ira Lardinois,

Project Manager Inn2POWER
For the Inn2POWER Consortium partners
