

OFFSHORE B2B MATCH MAKING

7.-8. NOVEMBER

Hotel Comwell Hvide Hus
Vesterbro 2
Aalborg, Denmark

Offshoreenergy.dk and House of Energy are happy to invite you to this year's Offshore B2B event in November 2018.

The event attracts the offshore value chain for discussions, business opportunities and innovation co-operations. From operator and OEM to SMEs and specialists; from oil and gas to wind energy and wave energy, Offshore B2B 2018 unites the industry players.

GUIDE TO OFFSHORE B2B

Offshore B2B is your gateway to new contacts and contracts within the offshore industry. You will meet the right people – relevant for your business – in pre-booked meetings with participating companies.

Participants in Offshore B2B are businesses from every stage of the offshore supply chain. Developers, manufacturers, engineering companies, construction, installation and service companies, etc. You will get access to companies from the global market for offshore energy – all during one great day of networking and B2B meetings.
