Collaboration between ELA Container Offshore and Swire Energy Services for the Offshore Container market in the UK

In order to promote the distribution of Offshore Accommodation in the UK energy markets, ELA Container Offshore has partnered with Swire Energy Services.

Through the collaboration, ELA expands SES's container portfolio with its offshore accommodation solutions and benefits contemporaneous from SES's locations in Aberdeen, Peterhead, Great Yarmouth and Heysham to serve the Offshore Wind and Oil & Gas markets in the UK.

Wayne Manning, Standing UK General Manager at Swire Energy Services, and Hans Gatzemeier, CEO of ELA Container Offshore, are sure that this collaboration is a perfect fit for both companies to combine ELA's expertise in offshore accommodation solutions and SES's existing network in the UK. They are looking forward to working together and are excited to see how this collaboration will develop.

Swire Energy Services has been supporting the oil and gas industry for over 42 years, with over 500 employees from its 56 bases, across 30 countries.

ELA Container Offshore GmbH is part of a family owned and worldwide operating group of businesses with more than 950 employees and operating a fleet in excess of 40,000 container modules. ELA Container Offshore GmbH produces stand-alone offshore containers for rent and sale to be used on rigs, transformer platforms and on all kind of seagoing vessels, pontoons and barges.

As part of the collaboration, SES will stock and promote the 20ft ELA Offshore Allrounder, which can be equipped as Temporary Living Quarters, Offices and more to meet the customer requirements.
