WINDFORCE

Baltic Sea

13 & 14 FEBRUARY 2019

The journey goes to ... **Gdansk**

In 2019, the sixth WINDFORCE Baltic Sea will take place in Gdansk. Join us in the golden city of the Polish Baltic Sea and spend two enriching days with us.

The Baltic Sea has enormous potential for the expansion of offshore wind energy. In Poland, plans for the first offshore wind farm run in full speed. In order to increase the room for a personal European exchange, our Polish friends have asked us to host the WINDFORCE Baltic Sea 2019 in Gdansk. Following 2014, an excellent opportunity.

Be invited to join this extraordinary conference. The reputable speakers will give an update on the developments in the neighboring countries. As always, you can expect exciting side events like our WINDFORCE Dinner or a guided city tour through Gdansk.

We look forward to see you!
